

TH 1/26

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant(s) : Mikhail Sergeevich Shchepinov
Serial No. : 09/928,639
Filing Date : August 13, 2001
Conf. No. : 8021
For : Mass Spectrometry

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

As required by 37 C.F.R. § 1.324(b)(3), the undersigned, on behalf of Isis Innovation Limited, submits this paper and a certificate under 37 C.F.R. § 3.73(b) to accompany the petition to correct the inventorship for the above-referenced patent application. I hereby state that the assignee of record for Serial No. 09/928,639, ISIS Innovation Limited, agrees to the change of inventorship to add Edwin Mellor Southern as a co-inventor in the subject application as requested by the accompanying petition.

CERTIFICATE UNDER 37 CFR §3.73(b)

Isis Innovation Limited certifies that it is the assignee of the entire right, title, and interest in the patent application identified above by virtue of assignment from Mikhail Sergeevich Shchepinov to Isis Innovation Limited recorded in the United States Patent Office at REEL/FRAME 012415/0877 on January 2, 2002. Attached is a copy of the Recorded Assignment.

The undersigned has reviewed all of the documents in the chain of title of the patent application identified above and, to the best of undersigned's knowledge and belief, title is in the assignee named above.

The undersigned (whose title is supplied below) is empowered to act on behalf of the assignee.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or of any patent issuing thereon.

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

As required by 37 C.F.R. § 1.324(b)(2), the undersigned, Mikhail Sergeevich Shchepinov, submits this paper to accompany the petition to correct inventorship to add Edwin Mellor Southern as a co-inventor on the above-referenced patent application. I state that I agree to the addition of Edwin Mellor Southern as a co-inventor on U.S. Serial No. 09/928,639.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or of any patent issuing thereon.

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

As required by 37 C.F.R. § 1.324(b)(1), the undersigned submits this paper to accompany the petition to correct inventorship filed on this same date and hereby states that the inventorship error that failed to include me, Edwin Mellor Southern, as a co-inventor on U.S. Serial No. 09/928,639 occurred without deceptive intent on the part of the Applicant.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or of any patent issuing thereon.
